

INVESTMENTS THAT ARE NO LONGER AVAILABLE FOR SELECTION.

The investment options listed below are no longer available for members to choose. However, existing members who are currently invested in them can continue to invest and make future contributions into them, should they wish to do so.

It's important to be aware that, should you choose to move your pension savings out of one of the options listed on this page, that you will no longer be able to select it in the future, nor will you be able to continue paying contributions to it.

If you transferred savings from another pension scheme into any funds or lifestyle profiles that aren't listed in the Investment Guide, you can also continue to invest and make future contributions into them. Please be aware that, if you choose to move your pension savings out of them, you will not be able to select them again in the future, nor will you be able to continue paying contributions into them.
