I currently pay 4% into the Greggs Pension Scheme, and I would like to increase my normal contribution rate as below. I understand that this will be matched by Greggs.

Please Select X

<input type="checkbox"/>	4.5 % of Pensionable Pay
<input type="checkbox"/>	5 % of Pensionable Pay
<input type="checkbox"/>	5.5 % of Pensionable Pay

Additional Voluntary Contributions (AVCs)

I would like to make Additional Voluntary Contributions % of my Pensionable Pay* to the Greggs Pension Scheme. I understand that the additional voluntary contribution (AVC) will not be matched by Greggs.

I authorise the Payroll Team to make the above change to my pension contribution with effect from the next available payroll.

* Pensionable pay is your pay, including profit share and any other amount as determined by Greggs.
